Fosco & Fred

90min | Italian | by Luca Calvani

They might be brothers but Fosco and Fred live very different lives. Destiny, however has a surprise in store for them, after the death of their aunt and a large inheritance to share : 122 hectares of land to look after and make fruitful together. With the help of a crew of old friends, the two brothers will realize just how important brotherhood can be, as it will bring out the best of them. Fred will reconnect with a deeper sense of self and his roots, while Fosco will finally edge is bets and really tackle his long forgotten dreams of a full life.
